

2015 GUEST FEEDBACK ALL FAST LANE TRAVEL TOURS

2015 Spring PCA TREFFEN **Plus**

First of all, I would like to say THANK YOU for your hard work and that I had such a GOOD TIME. You have done such tremendous great work! **The whole experience was above and beyond my expectations!**

Since I have never done this type of tour before, I didn't really have any specific expectations. I went in with an open mind, although in the

beginning I wasn't too thrilled about the driving part (more scared than excited). Nevertheless, it turned out to be an enjoyable and marvelous experience. Above and beyond my expectations! Overall, I am very satisfied with the whole experience. **Peter, you got an A+!!** **The program was excellent and we met such good people and made new friends. This is one vacation that I will never forget for the rest of my life.** Thank you again.

We've known about the trip for years. A "Bucket List item." **The tour far exceeded our expectations.** Offered features we wanted (driving, Autobahn, Spring fest, museums and Factory tour.)

This was our 14th trip with Fast Lane Travel!

Thanks for a super trip – **they just keep getting better!** Thanks for the special recognition – way more credit than I'm due.

Peter's Note: *You deserve all the credit and recognition – see you on the next one!*

I'm bragging about my recent Treffen experience...who wouldn't be...it was for me the most amazing and exciting week I think I've ever spent!! I thought Peter did the most incredible job and the way in which he did it was second to none in my book! Not often that can be said and he even managed to tick boxes that weren't even there...if you can work that one out! You might also add that I had a tough time wondering how I could justify spending that sort of money but on reflection it has to have been some of the best money I've EVER spent and with not one regret or prickly conscience lurking anywhere!

A truly great opportunity that doesn't come everyone's way that's for sure. A very very big thank you Peter for organizing such a super splendid week and I wish you and Jingsi all the very best and that you'll enjoy the happiest of lives together.

2015 Spring PCA TREFFEN

I expected a great trip, and it was!

Driving the Autobahn was OK... But the back roads were better. Overall – great trip. Your expertise of the area was valuable. Your staff was excellent.

Meeting new friends on the trip was great as well, all of our fellow TREFFEN Trippers were very nice people.

My 7th TREFFEN! As good/great as ever and I'm planning #8 for Fall 2016, I hope!

... Brought 3 friends to show off the TREFFEN concept. For me, it is perfect—except my personnel file at Fast Lane Travel needs to be larger as it's now full according to Peter!

We both have so many fond memories of the trip that we will never forget. The drive into Lindau was breathtaking. When we arrived in our room, we were left speechless when we walked onto our balcony overlooking Lake Constance with the Swiss Alps in the background. At the Porsche Factory, we were privileged to be able to see the last of the 918s being produced. I cannot thank you enough for the

countless memories we both share. The back roads were actually more amazing than driving

the autobahn and really let me see what the car (2015 991 4S Cabriolet) could do. **The car was truly amazing.**

The trip was amazing from start to finish. I really enjoyed having everything arranged and set up for us. **Your team did an outstanding job.** I would not hesitate to recommend you and your company and when I schedule my next Porsche trip, **I will be certain to use your services again.**

This is our second time traveling with Fast Lane Travel and overall the entire trip exceeded our expectations. The pre-trip plans went so smoothly from the pickup in Berlin at the airport, to Maria, our guide in Prague, who was excellent, the restaurants were very nice, and the hotels chosen were excellent and always close to downtown.

The BIG plus of the trip was having Sven and Patricia as our guides. Sorry we missed you Peter, but Sven was a great host, and bringing Sydney, our 23 year old daughter and having Patricia as the co-host worked out so well. She had a great experience, it was truly an experience we'll remember and talk about for a long time.

The drive up the Alps with having a lead car and a co-pilot telling us if the road is clear is a great way to experience the responsiveness of the cars and the thrill of driving the Alps that you couldn't do alone.

Again, this was a terrific trip, everything is so well organized and a lot of fun, and always a great group of people. We would love to come back again.

As usual, I'll be telling everyone that your trips are a great experience and how everyone at Fast Lane Travel is truly terrific!

It was **'supercalifragilisticexpialidocious'**. I don't have any shorter words to explain it. I would wake up in the morning ready to go and then have to sit through breakfast, get groggy, then realized if I simply thought of sitting behind the steering wheel **I would perk right up.**

at handling people and arrangements and at the same time so professional. We were so lucky to have him. **I need another Fast Lane Travel trip.**

2015 Fall PCA TREFFEN Plus

Don and I just wanted to thank you for all you did to make our recent journey with Fast Lane such a **magical and memorable journey.**

Each and every moment was top notch, from the car, to the accommodations and the plentiful food and drink. We marveled at the views and especially enjoyed our trip up the mountain and the wonderful cheese fondue.

We truly enjoyed each and every aspect of the trip and have recounted our adventures on the Autobahn and those crazy mountain passes many times. **It met and surpassed all of our expectations.**

Have a wonderful fall and thank you again for your **wonderful service.**

2015 Fall PCA TREFFEN

The trip was definitely first class all the way. Just when we thought it couldn't get better, tour group surprised us even further. **It definitely surpassed any possible expectations!**

The actual Treffen part of the trip was spectacular! It's hard to pick a favorite part, but I think the sunset at the medieval castle, with the minstrels greeting us at the bus and escorting us to the castle where we were handed a

glass of champagne, may have been our favorite part. Another great memory was when we pulled up to the Bayerischer Hof in Lindau, parked right in front of the hotel and got out of our Porsches. People looked at us like we were rock stars. It's a memory we'll never forget.

This trip was a trip of a lifetime for us, which we still think of often. We made friendships with several people that we hope will continue for years to come. Thank you to you and your staff for all that you do to make these trips so memorable.

I knew we'd be treated well, and anticipated a great experience overall, but as the event progressed, the service level just kept improving by the day. From the fine dining, to the tours, and the personal attention to our needs... it just went fantastic!! Of course the "driving" portion was really just over the top!!!

We are confident in the skills and resources of Fast Lane Travel to arrange a custom tour in 2016.

Stu & Jackie Jones

Our first Treffen, so we were not sure of what our experience would be other than well-organized. The 5-star service and accommodations far exceeded anything we have imagined.

A “bucket-list” item that we had been putting off – so glad we finally did it!

Everything was perfect.

One of the best things about our Fall Treffen was the courtesy and professionalism (and humor!) of all

of our guides.

Our accommodations on the post-Treffen tour were perfect, especially in Vienna at the Palace Kempinski – wish we had been able to spend more time there.

Hope to be able to join you on a future Treffen adventure.

Your experience and reputation was the deciding factor for joining the Tuscany Porsche Fest. **We thought this would be the trip of a lifetime, and it was!**

We thoroughly enjoyed our driving trip from Germany through Austria and into Italy where we spent 5 incredible days at Casali di Bibbiano. Located just a short drive to the old town of Buonconvento was an added feature. We were able to walk through this historical village and absorb the “flavor” of old Tuscany.

With spectacular breakfasts and sumptuous dinners, it was a treat to stop for a light lunch at the comfortable rest stops along the way.

Notes from Peter left in our rooms each night were very helpful and much appreciated.

Oktoberfest in Stuttgart was indescribable and we wouldn't have missed it for the world! AND we love “Yodel Bear!”

Ted and I have taken 12 European tours by coach, train, boat and another Porsche driving tour, **but this was by far, the best one ever!**

2015 China PORSCHE Fest

All of our expectations were more than met. It was a trip to a very different country. Importantly, we felt secure and comfortable all of the time.... Obtaining a Chinese Driver's license and later driving through some of China was a great thrill.

Seriously, the reason that Gail and I decided to join the China tour was that China was someplace we always wanted to go, and that going with Peter and Fast Lane Travel, we were confident that it would be extremely well planned out, and that we would have a great time, which was the case. It was a truly memorable adventure.

My expectations for this trip were fully met.

Having been on previous trips with Fast Lane Travel this inaugural Chinafest was executed with the same level of service that we have come to expect from your service and this was in spite of having to deliver that service in China, never an easy country to visit!

It was an amazing trip and I wouldn't have missed it for the world! Thank you so much for providing us with yet another trip of a life time!
