Subject: **Heading to Germany for our Twelve Alpine Passes PORSCHE Fest**

I. **Tomorrow I'm heading to Germany** on DL 2150 TPA-ATL connecting to DL 14 ATL-FRA to conduct and lead the **Twelve Alpine Passes PORSCHE Fest**. Preparations are complete including the all-important **NAVI Book** for the trip. Here is a sample page taking us from Northern Italy via the legendary Passo dello Stelvio to the Passo Livigno into Switzerland. We will enjoy two new **5-star hotels** on this trip, including the Schweizerhof in St. Moritz and the 5-star Kempinski Engelberg. It'll be an awesome trip. We are very grateful for the 13 participants on this trip, but unfortunately, starting a month ago, we had 22 cancellations because of "Ukraine."

Two weeks ago in Stuttgart I can only confirm that there is zero impact of the Ukraine conflict in Stuttgart or anywhere in the Alps. The US Media is driving everyone nuts. Bob Armes and I will be leading the **12-Alpine Passes Team** in a great **Cayenne S** followed by **3 911's**, a **Boxster 718**, a **Cayman 718** and a **Mercedes**. The latter is for the nephew of a participant

who is under 25 and, thus, cannot rent a PORSCHE in Europe. Not only will we have a fabulous trip, but at the end of our trip I'll be meeting two of our **PORSCHE Euro Delivery** Customers from Canada who are picking up a GT3. They are very lucky because all the Alpine Passes we have planned for them, we will have driven, and I'll be able to give them a firsthand report. **My advice:** If you want to enjoy life . . . don't listen to the news and don't step on the scale!

II. **Other Fast Lane Trip News:**

A. **PORSCHEs for all our Tours will now be available this fall:** With the support of our European contacts and staff, we have been able to negotiate an arrangement with PORSCHE AG to get PORSCHE 992's cabs and coupes; Panameras; Macans; and some other rare models which could be another option for the folks who don't mind little luggage space and a bit of a harsher ride. Please bear in mind that there is not an unlimited supply of PORSCHE models in their inventory and the PORSCHEs must be reserved with them directly. I'll be in Stuttgart at the Factory on Thursday, June 2nd to finalize details for you.

Drive your own PORSCHE in Europe: If you are planning to stay a little longer in Europe, we can ship your own PORSCHE to Bremerhaven in a container and from there to Stuttgart where the Factory will be happy to open the container, to service it and have it waiting for you with the appropriate documentation, insurance and driving program. My Panamera has crossed the Atlantic three times. There is nothing more exhilarating than passing a German Highway Patrol Officer and you're doing 130 mph, sucking off his hubcaps as you woosh past in your own car with US or Canadian plates. It's even better with cars from the 19 US States (AL, AZ, AR, DE, FL, GA, IN, KS, KY, LA, MI, MS, NM, NC, OK, PA, SC, TN, WV) which have no front license plates (speed cameras in Europe get you from the front).

B. We have our luxurious Le Mans Race and five more PORSCHE Driving Tours for you:

This is by far THE most popular of our European trips each year. We haven't been there since 2019 for obvious reasons and they are ready with the wine tasting, cooking class and open arms.

D. Our **US PORSCHE Fest** trips are a very attractive option for you if Europe is not in the cards for you this year. So, drive your own PORSCHE, Corvette, '62 Cadillac, Lexus or whatever, to our superbly planned and organized **Carolinas** and **Romantic Wild West** tours. We conduct both US trips in THE most desirable time of the year in each location. The **Fall Colors of the Carolinas**. III. Travel Industry News:

According to OpenJaw News: 96% of Canadians Want Badly to Travel Again – But Fewer Intend to Travel Abroad:

According to new research from the Conference Board of Canada (CBoC) presented at the Discover America Canada meeting on 24 MAY, 96 percent of Canadians say

they are eager to get back to travelling, with 69 percent intended to take a trip between MAY and OCT 2022. According to Jennifer Hendry, Senior Research Associate at the Canadian Tourism Research Institute, The Conference Board of Canada, “all indications so far” point to 2023 tourism levels for outbound travellers returning to similar levels as 2019. According to the CBoC’s data, while 69 percent of Canadians say they will take a trip this summer, only 24 percent of them have international destinations on their lists. Pre-pandemic, of the number of Canadians who intended to travel, 33 percent said they wanted to travel internationally.

IV. My Final Thoughts: OK, OK – here are some puns . . . groaners, if you like.

- A cross-eyed teacher couldn’t control his pupils.
- She had a photographic memory but never developed it
- Is it ignorance or apathy that’s destroying the world today? I don’t know and don’t really care.
- I wasn’t originally going to get a brain transplant, but then I changed my mind.
- Which country’s capital has the fastest-growing population? Ireland. Every day it’s Dublin.
- My ex-wife still misses me. But her aim is starting to improve.
- The guy who invented the door knocker, got a no-bell prize.
- I saw an ad for burial plots, and I thought: “That’s the last thing I need!”
- Need an ark? I Noah guy.
- I used to be indecisive; now I’m not so sure.

- Sleeping comes so naturally to me, I could do it with my eyes closed
- What did the grape say when it got stepped on? Nothing - but it let out a little whine.
- What do you call a super articulate dinosaur? A Thesaurus.
