# I. Tuscany Here We Come: This is our 14<sup>th</sup> Trip to Tuscany!

It is so popular that it was sold out within a month of its announcement. In fact, last year we conducted the trip twice.

- **Wednesday, October 18<sup>th</sup>, 2023:** Everyone has arrived today, although several folks came early yesterday. I always encourage a day early arrival, especially for the folks from the West Coast, to better get acclimated to the time change. A couple of the customers took advantage of the Nürburgring Program we offer before the trip. If you have a little more time for the Ring Program, we also offer Castle Rheinfels, high above the Rhine for a little relaxation before the trip. Of course, the Dorint Hotel directly at the Nürburgring track is the preferred stay for most. The first, and most important, activity today is our mandatory drivers' briefing. Based on our fifty years of experience, the briefing is a key safety element in your preparation for the driving portion of the trip.

II. The Drivers' Briefing covers the following key topics:

- ▶ Was ist anders in Europa? What's different?
- ▶ How do we do it and what is your part in it?
- ▶ Driving in D, A, CH & I plus the German Autobahn.
- ▶ Importance of pit stops & re-fueling.
- ▶ Driving mountain passes and country roads.
- ▶ Role of the "Wing Team".
- ▶ Various important signage.
- ▶ You'll be joining a prestigious Club!

Not only do we conduct the drivers' safety briefing but we also publish the ***Driving in Europe is Different*** publication which every driver and co-driver is required to read before getting into a

Porsche in Europe. Back to Tuscany – the sunset view from our terrace.

Barn Find:. I spoke to the owner. He has it in his garage and hasn't driven it in years.

I'm working on getting him to at least let me drive it. What a beauty,

## II. My Final Thoughts: Random Observations

- If you answer the phone with, "Hello, you're on the air!"... most telemarketers will quickly hang up.
- When one door closes and another door opens, you are probably in prison.

- To me, 'drink responsibly' means 'don't spill it'.
- When I say, "the other day," I could be referring to any time between yesterday and fifteen years ago.
- Cop: "Please step out of the car." Me: "I'm too drunk, you get in."
- I've had my patience tested. I'm negative.
- If you're sitting in public, and a stranger takes the seat next to you, just stare straight ahead and say, "Did you bring the money?"
- Sixty might be the new forty, but 9:00 PM is the new midnight.
- I finally got eight hours of sleep. It took me three days, but whatever.
- I run like the winded.
- I don't remember much from last night. But the fact that I need sunglasses to open the fridge this morning tells me it was awesome.
- When you do squats, are your knees supposed to sound like a goat chewing on an aluminum can stuffed with Rice Krispies?
- I don't mean to interrupt people. I just randomly remember things and get really excited.
- It's the start of a brand-new day, and I'm off like a herd of turtles.

- Don't bother walking a mile in my shoes, that would be boring. Spend thirty seconds in my head, that'll freak you right out.
- The older I get, the earlier it gets late.
