## I. Happy Euro Delivery in Stuttgart from Gary and Arlene

**Diamond:** Peter, the Brenner pass thru both the Austrian & Italian Alps was magnificent. The GTS's 10mm lowered suspension, Turbo S brakes & tremendous steering feel (far better than my 2023 Carrera 911S) & 4-wheel drive, the car just gobbled up these twisty mountain roads, at speed, like it was on tracks. Tomorrow, we head back to Stuttgart on the Autobahn...

**Fast Lane Travel** formulated a tremendous itinerary with great driving routes. Jim, thanks for helping me order 'the perfect 911 specified to my

needs & wants': the GTS exceeded my expectations.

#### **IV. My Final Thoughts: Political Promises**

Source: Ralph Sica (2013 Berlin, Prague & Vienna Plus Alumni)

A politician visited a remote rural village hoping to secure votes and asked the inhabitants what the government could do for them.

“We have Three major needs and concerns,” said the mayor of the village.

“What is your first concern?” asked the politician.

“First, we only receive empty political promises from dishonest and lying politicians when it’s time for us to vote in their election. They tell us anything we want to hear just to get us to vote for them.”

my 1964 356C with my grandfather's suitcase on the luggage rack, to the event. Everyone loved the little 356 jewel and admired the decals on the left rear quarter window.

We also brought 300 PORSCHE emblem cookies which were very popular and attracted lots of attention. Notice the huge tray on the table of our booth.

Please take care of yourself, stay young; be happy and remember those who love you...Let's look forward to the great times we will again have together on one of our beautiful PORSCHE Tours this year.
