Subject: Review from 12 Alpine Passes

My Comment: Alexandria enjoyed the **12 Alpine Passes PORSCHE** adventure with her wonderful dad: **Peter Corn**.

Hi Wendy! This is Alexandria Corn, Peter Corn's daughter. We just went on the 12 Alpine Passes trip and absolutely were blown away. I uploaded photos and videos to Dropbox already, but I wanted to send in a quick review too. Thank you!

I have tried to write this review to express the right words I have for this trip, and I can't seem to find the right ones. This trip was UNLIKE anything we've ever done before. My dad and I went on the 12 Alpine Passes trip in June. It was our first time traveling to Europe. We knew it would be great, but this exceeded our expectations x100. It truly was the best way to visit and explore Europe. From picking and driving the Porsches through the beautiful countryside, to stopping for lunch in mountain towns, to staying at a different exquisite 5-star resort each night and indulging in all the food and drinks you can think of, Peter and his staff made this the trip of our lifetime. For 8 days, you are living the luxurious lifestyle. Breath-taking drives every day, and with great company- what

more could you ask for? At the start of the trip, we started off all as strangers. But by the end, we made friends for a lifetime that made it very hard to say goodbye. If you are thinking of booking this trip, JUST DO IT!

We will definitely be back for a Fast Lane travel trip. Until next time!!
Thanks for the memories, Peter and staff! Alexandria and Peter Corn

In addition, **Dr. Samara Cardenas, MD**, also enjoyed her **eleventh (11th)!** **Fast Lane PORSCHE** tour with her two fabulous grandkids: **Siena** and **Dario**. Wendy was able to get special permission for Siena and Dario to also drive their PORSCHE! Talk about the definition of happiness.

Peter's Comment: The New Popular Trend . . . We have seen a substantial increase in trip participation of father & daughter/son or grandparents & grandkids on our trips. Remember we are celebrating our 50th anniversary! So, if you were on a trip with us in the 70's, it's time to come back with the next two generations.

Maybe Not so NEW? My favorite example of a mother & son Fast Lane PORSCHE trip was the **2009 PCA SPRING TREFFEN** with 24 happy participants. That was also the year PORSCHE introduced the **PORSCHE Panamera**. Gale Galloway and her son Alex were the first to rent a Panamera. It was also our 25th Anniversary of conducting PORSCHE trips! Returning from Europe after our 2009 trip, Gale went from the CLT Airport straight to the Charlotte PORSCHE Dealer and ordered a Panamera, YES, the Fast Lane Travel PORSCHE trips have generated thousands of **"Neuwagenkäufer"** (new car buyers) for the PORSCHE Company in Stuttgart and Leipzig. European Delivery is awesome.

Subject: Our Euro Delivery

Dear Peter, Susan, and Tilman,

Thank you for a wonderful European delivery experience, pictures are attached. Our Autobahn travel to Füssen was fantastic, especially once we ditched the traffic on the A-8 and turned south onto the A-7 to Füssen.

Tilman, thank you especially for a delightful conversation on tour and at lunch - loved your insights into Porsche history. Onward to the Interlpen Tyrol after an excursion in Füssen! Best, Shane

P.S. #1 Fantastic trip. San Giacomo Pass en route to Zermatt was exciting despite heavy rain and some fog (same weather at the Grossglockner). Today's travel from Zermatt to Chamonix was beautiful. The Auberge du Prins is beautiful. Best, Shane

P.S. #2 Spectacular views from the Felbertauern tunnel and nearby Alpine Nature Park.

P.S. #3 Now at the Interlpen Tyrol - WOW - surely a reason for a return visit!

P.S. #4 Wonderful route from Cortina d'Ampezzo via Predazzo to Villa Tempesta on Lake Garda - more beautifully wooded than the Grossglockner High Alpen Road and every bit as winding and climbing. Lunch at Da Aurdlio at the Giau Pass. Amazing. Pix attached.

III. THE Trip of the Decade: If you haven't yet and have been thinking about our 50th, then let's get you signed up for our **50th Anniversary Tours**. They are going to be truly "one for the books!" Enjoy!! As always, I have planned some surprises and have also invited Senior Porsche Executives to join us at the combined celebratory dinner.

1st 50th Anniversary: Sunday, September 1st to Thursday, September 12th, 2024.

2nd 50th Anniversary: Tuesday, September 10th to Saturday, September 21st, 2024.

Both trips will overlap on **Wednesday, September 11th** in Stuttgart, where we will enjoy a **very special combined anniversary banquet with PORSCHE Executives in attendance. Don't miss this truly once-in-a-lifetime event!**

Highlights of both 50th Anniversary trips include:

1. Peter's personal guidance with Gerald and Fabian as the lead drivers on both tours; with logistics support by Johny in Stuttgart; Miro and Richard handling the luggage van service; Helmut and Christoph presenting PORSCHE History in Gmünd; and Hans managing our Opera attendance in Vienna and, very importantly, Paul Blaguss providing the parking, logistics and transportation in Vienna. You will have THE best view of Vienna from Paul's Restaurant overlooking the Danube and Vienna.
2. A rousing welcome in Stuttgart by Porsche Executives.
3. A privileged guided visit to the PORSCHE Museum and a very rare PORSCHE Factory Tour.
4. A special visit to the regal Ludwigsburg Palace followed by picking up your pre-selected rental PORSCHEs at the PORSCHE Museum.

5. Lunch at the new Hans-Peter PORSCHE Traumwerk.
6. A stay in the legendary Sound-of-Music Salzburg.
7. Driving across the spectacular highest Alpine Mountain Road in Austria: **The Grossglockner.**

8. A privileged exclusive visit to the historic original 1948 PORSCHE "Factory." See who bought the first dozen PORSCHE 356's? Who was Ruprecht von Senger?

9. The Pfeifhofer PORSCHE Museum.
10. A Mozart Concert & Dinner in “Sound-of-Music” Salzburg.
11. Secure PORSCHE Parking in Vienna at the Blaguss Company.
12. Staying at the renowned **Sacher Hotel** in Vienna right on pedestrians-only Kärtnerstrasse (Vienna’s Rodeo Drive).
13. Tickets to a **red-out** performance at the breathtaking **Vienna State Opera** of **Giuseppe Verdi’s “La Traviata”**. Hans was able to get us THE impossible, best tickets available, BUT at an unexpected 80% premium. Guests from all over the world are coming to Vienna for that performance.
14. You’ll be served Champagne and Canapés during the Opera Intermission in the Opera’s regal Marmorsaal (marble hall).
15. A Vienna sightseeing tour with first-hand World War II history by Peter personally.
16. A police-escorted visit to historic Mürzzuschlag with a reception in the Mayor’s Office.
17. An overnight stay in Zell am See, the PORSCHE Family’s hometown, with a special dinner.
18. The most luxurious hotels in Austria: The **Interlpen** with a free day to enjoy THE most amazing spa in Austria.
19. A spectacular drive across the Hahntennjoch Mountain Pass.
20. A return to Stuttgart lunch at a romantic Bavarian Chalet high up in the Alps.

You can still join Peter and his team for this spectacular event.

IV. My Final Thoughts: Attractive flight attendant

Passenger to a lovely flight attendant:

What is your name?

Mercedes, Sir!

Lovely name! Any relation with Mercedes Benz?

Same price.

V. Some More Random Fond Memories:

“We didn't realize
we were making
memories
we just knew
we were having
fun.”

Please stay healthy and young; be happy and take good care of yourself and your loved ones. Let's look forward to the great times we will share together again on one of our fabulous PORSCHE tours this year; and in **2025**, and thereafter.

I will see you in Stuttgart at our fabulous 50th-year celebrations. See you soon, Peter

Let us spoil you! Remember our motto: "It's our business to do pleasure!"
