## **I. Wednesday, September 11<sup>th</sup> 2024**

A half-hour before Salzburg is this wonderful new MUST-SEE attraction: the Hans-Peter PORSCHE Traumwerk. It's a museum, historic venue and wonderful restaurant. It's only 5 minutes off the A-8 and fantastic.

Parking, of course, was reserved for us.

### III. 50<sup>th</sup> Anniversary Dinner Celebration

On the evening of September 11, both of our groups came together to celebrate. It was a warm and emotional night, brimming with laughter, storytelling, and the forging of new friendships. At Fast Lane, we are deeply grateful for the decades of travel, shared memories, and the bonds of friendship that have blossomed into a true family. Each and every one of you holds a special place in our hearts, and we treasure the adventures we have experienced together. Thank you all, and we eagerly anticipate the exciting prospects that 2025 holds for us.

#### **IV. My Final Thoughts:**

##### **TWELVE COMMANDMENTS FOR SENIORS**

**#1 - It's okay to talk to yourself. There are times when you need expert advice.**

**#2 – “In Style” are the clothes that still fit.**

**#3 – You don't need anger management. You need people to stop pissing you off.**

**#4 – Your people skills are just fine. It's your tolerance for idiots that needs work.**

**#5 – The biggest lie you tell yourself is, “I don't need to write that down. I'll remember it.”**

**#6 – “On time” is when you get there.**

**#7 – Even duct tape can't fix stupid – but it sure does muffle the sound.**

**#8 – It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller.**

**#9 – Lately, you've noticed people your age are so much older than you.**

**#10 – Growing old should have taken longer.**

**#11 – Aging has slowed you down, but it hasn't shut you up.**

**#12 – You still haven’t learned to act your age and hope you never will.**

**“One for the road” means peeing before you leave the house.**
