## **I. 50<sup>th</sup> Anniversary Celebration PORSCHE Tour Feedback:**

"My only regret is that we didn't do this (one of your trips) sooner." There are many other superlatives that could be applied to the trip, but the list would be too long to mention every 5-star detail that made it so enjoyable. And, that includes the staff that worked hard, always with smiles and friendliness.

I know you've worked hard to achieve your success, and you've got great people working with and supporting you. Thank you for everything.

Best regards,  
Angela and Bill

## Comments from our Dolomite PORSCHE Fest Customers:

I knew that the trip was a “must”. Everything about the trip exceeded my/our expectations. The driving, dining, rooming, mingling, driving.... the driving. It all made my first journey “overseas” terrific. We decided to take this tour over the 12 Alpine Passes trip they offered. Definitely next time...**Peter’s Comment:** Tony and Vera came back the following year onto our Tuscany trip.

We had been eyeing your ads in Pano for years and was on my bucket list. After having several phone conversations with Thomas, it was an easy decision. The trip was well beyond expectations. Great people, good accommodations and driving. It was great to have a 2018 C4S. Thomas is a wonder. The trip was in a word, EPIC!

### Dick Beers, AZ & TX

We found out about your tours through our PORSCHE dealership and also from the internet. We were interested in purchasing a new PORSCHE with European pick-up. PORSCHE road trips have always been appealing to us. This was a PORSCHE road trip on STEROIDS!! We under expected and you overwhelmed us. We were hoping that your tour would be very organized and very hands-on, and it was.

Overall, the trip was truly excellent. Thomas was the best tour guide that we have ever encountered. He anticipated every problem or situation before it arose or took care of it on the spot. Very valuable employee.

The other couples we met were all of excellent character. We were all true friends by the end of the trip. Margaret and I have sailed all over the world and that is what we like to do. Now we want to drive PORSCHE'S all over the world. Fast Lane has infected our lives with the exciting and luxurious reality of road trips in Europe. It was just fantastic! We will be back!

My first Fast Lane Travel, Inc. experience was the 2017 "12 (13) Alpine Passes" tour. This exceeded my expectations in every imaginable way. As a result, we began discussing the possibility of another Fast-Lane Adventure with the new friends we made during the 2017 trip, in anticipation of another trip in 2018. Much credit goes to Don and Mary Alldian for their wonderful and enthusiastic celebration of the Fast Lane Experience, and also to Thomas for keeping everyone safe, focused, and coordinated. My expectations for this trip were met.

My goals and expectations for the trip included; 1. Spending quality time and having an amazing experience with family and friends. 2. Make new friends. 3. Get better acquainted with Tirol and the Dolomites. 4. Be surprised by the beauty of the Alps and the numerous Alpine Villages. 5. Refine my driving skills. 6. Explore and get better acquainted with Stuttgart. 7. Practice German and Italian. 8. Hike. 9. Relax! I was able to do all of this and more on my trip! Thanks for a great experience Peter!

#### **IV. My Final Thoughts: Visiting Hollywood Squares One More Time:**

Many of you may remember these great questions and answers are from the days when "Hollywood Squares" game show responses were spontaneous and clever, not scripted and (often) dull, as they are now. Peter Marshall was the host asking the questions, of course.

Q. Do female frogs croak?

A. Paul Lynde: If you hold their little heads under water long enough.

Q. If you're going to make a parachute jump, at least how high should you be?

A. Charley Weaver: Three days of steady drinking should do it.

Q. True or False, a pea can last as long as 5,000 years.

A. George Gobel: Boy, it sure seems that way sometimes.

Q. According to Cosmopolitan, if you meet a stranger at a party and you think that he is attractive, is it okay to come out and ask him if he's married?

A. Rose Marie: No; wait until morning.

Q. Which of your five senses tends to diminish as you get older?

A. Charley Weaver: My sense of decency.

Q. What are ... "Do It," ... "I Can Help," ... and ... "I Can't Get Enough"?

A. George Gobel: I don't know, but it's coming from the next apartment.

Q. As you grow older, do you tend to gesture more or less with your hands while talking?

A. Rose Marie: You ask me one more growing old question Peter, and I'll give you a gesture you'll never forget.

Q. Paul, why do Hell's Angels wear leather?

A. Paul Lynde: Because chiffon wrinkles too easily.

Q. Charley, you've just decided to grow strawberries. Are you going to get any during the first year?

A. Charley Weaver: Of course not,..I'm too busy growing strawberries.

Q. In bowling, what's a perfect score?

A. Rose Marie: Ralph, the pin boy.

Q. It is considered in bad taste to discuss two subjects at nudist camps...One is politics, what is the other?

A. Paul Lynde: Tape measures.

Q. During a tornado, are you safer in the bedroom or in the closet?

A. Rose Marie: Unfortunately Peter, I'm always safe in the bedroom.

Q. Can boys join the Camp Fire Girls?

A. Marty Allen: Only after lights out.

Q When you pat a dog on its head he will wag his tail. What will a goose do?

A. Paul Lynde: Make him bark?

Q. If you were pregnant for two years, what would you give birth to?

A. Paul Lynde: Whatever it is, it would never be afraid of the dark.

Q. According to Ann Landers, is there anything wrong with getting into the habit of kissing a lot of people?

A. Charley Weaver: It got me out of the army.

Q. It is the most abused and neglected part of your body, what is it?

A Paul Lynde: Mine may be abused, but it certainly isn't neglected.

Q. Back in the old days, when Great Grandpa put horseradish on his head, what was he trying to do?

A. George Gobel: Get it in his mouth.

Q. Who stays pregnant for a longer period of time, your wife or your elephant?

A. Paul Lynde: Who told you about my elephant?

Q. When a couple have a baby, who is responsible for its sex?

A. Charley Weaver: I'll lend him the car, the rest is up to him.

Q. Jackie Gleason recently revealed that he firmly believes in them and has actually seen them on at least two occasions. What are they?

A. Charley Weaver: His feet.

Q. According to Ann Landers, what are two things you should never do in bed?

A. Paul Lynde: Point and Laugh

Q. At the end of the movie "The Planet of the Apes," what does Charlton Heston see that makes him realize that he is actually in New York City?

A. Paul Lynde: A Puerto Rican.

Q. In the Arctic, the most fearsome animal is the polar bear. What is the only thing a polar bear is afraid of?

A. Paul Lynde: A lonely Eskimo!

Q. True or false. Experts say there are only seven or eight things in the world dumber than an ant.

A. George Gobel: Yes, and I think I voted for six of them.

Q. In a survey of teenage mothers, most of them said they were listening to this when they got pregnant. What is it?

A. Paul Lynde: A pack of lies.

Q. According to Amy Vanderbilt, what is the maximum length of time you and your fiance should be engaged?

Q. You're a 71-year-old man who has lost interest in sex. Does your doctor have anything to help you?

A. Charley Weaver: "No, but his nurse does."

Q. Peter Marshall: It's well known that small amounts of female hormones are found in the male body. Are male hormones ever found in the female body?

A. Paul Lynde: Occasionally.

Q. Peter Marshall: Paul, the Rio Grande River separates Texas and Mexico. What does "Rio Grande" mean in Spanish?

A. Paul Lynde: El Washing Machine.

Q. Peter Marshall: Eva Gabor says she dislikes a particular word because it signals the end of something that started out so beautifully. What word?

A. Paul Lynde: Pregnant.

Q. Peter Marshall: A recent hearing in New Jersey, opponents of fluorinated water argue that too much fluorine in a persons system can cause an uncontrollable desire for sex?

A. Paul Lynde (shouting): HEY CULLIGAN MAN!

Q. Peter Marshall: Nathan Hale, one of the heroes of the American Revolution, was hung. Why?

A. Paul Lynde: Heredity!

Q. Why do you pound meat?

A. Paul Lynde: Loneliness.

The laughter lasted 15 minutes and there was no time for further questions.
