Subjects: “WOW” to the Spring PORSCHE Fest Plus; **TRIP OF THE Week:** come to our COLORADO & My Final Thoughts: No more questions your honor & More Fond Memories Pictures

I. Spring PORSCHE Fest at THE SOURCE: “WOW, amazing, awesome . . .” are the most frequent words I hear after our **PORSCHE Factory Tour** in Stuttgart-Zuffenhausen. The PORSCHE Factory is a sacred place for all of us who love the beautiful and fast objects of our passion. Yes, it is our Magic Kingdom, but unlike Disney, you cannot buy a ticket and simply waltz in. A PORSCHE Factory visit is truly a rare and coveted privilege. Don't expect to show up on your own and get a tour. We plan and book our Factory visits for you a year in advance. Of course, if you buy a new Porsche from your dealer and have it delivered in Stuttgart or Leipzig, a Factory Tour is included. What is it?

Of course, there are many aspects of a Factory Tour:

1. The engine assembly plant?
2. The leather manufacturing department?
3. The paint shop?
4. The 911 assembly line?
5. The after-production QC?
6. Etc.

Given the necessary secrecy surrounding new models, there is never a guarantee of seeing a specific element of the Factory, although they try very hard to include the assembly line. But if they have a new model run then it may not be included. Remember, the word in Stuttgart is that the Production Manager is God – no, the workers in Zuffenhausen correct me:

“God reports to the Production Manager in Zuffenhausen.” Of course, there are **no pictures** or recording devices allowed in the Factory. On the other hand, there are no photographic restrictions at the spectacular **PORSCHE Museum**. Not only is the admission waived for PCA Members, but you also get a 10% discount at the well-stocked goodie store. Plus, you will also find coveted PORSCHE items, clothing, toys, scale models and a myriad of other items you cannot get in the US or Canada. This is my favorite display: **Why is this PORSCHE 956 upside down?**

According to the theory of downforce ($F = \rho \cdot 2 \cdot v^2 \cdot A \cdot c_a$), when this Porsche 956 reaches a speed of 321.4 km/h, it could theoretically drive on ceilings.

After the Factory visit, lunch at the renowned Christophorus Restaurant and Museum visit, we completed the paperwork and picked up our beautiful new rental PORSCHEs we had reserved for you. Luckily everyone was able to get their first choice of PORSCHE model. The wonderful rental staff goes over the car with you in great detail to reassure you that you are getting exactly what you had ordered. Our Fast Lane Staff now placed the fully charged walkie-talkies in each car and - **VERY IMPORTANT** – has **programmed all NAVI systems in English** with every destination and also the intermediate stops on our planned route. This is essential due to unforeseen weather or construction deviations or your choice of going off on your own. We carefully drove back, as a group, connected with our conduction grade walkie-talkies to our reserved underground garage at the Steigenberger Graf Zeppelin, located in the shopping district center of town, conveniently right across the Hauptbahnhof (main train station).

To celebrate this wonderful, informative and rewarding day, we enjoyed dinner at one of my top restaurants in Stuttgart: the Stäffele. We dined 3 stories underground in a former bomb shelter and were treated to their trademark French Onion Soup, served in a real onion. I presented the

group with our plans for the next few days and reminded them of the key

elements of the mandatory PowerPoint drivers' briefing a couple days earlier. Prior to our departure from the US, everyone had received our "Driving is Different"

Publication. Safety, enjoyment and well-timed pee-stops are the top of our priorities. After 50-years of experience conducting over 300 PORSCHE

group trips for, well over, 8,000 customers we know what is necessary to deliver PORSCHE driving happiness, enticing cuisine, accommodation and secure parking. The latter is of utmost importance when you pick up your new Euro-Delivery vehicle.

Our repeat rate of over 50% of our customers attests to that happiness fact. The record holders are the Yates' from Virginia. On their 24th Fast Lane PORSCHE trip, Eddy stood up at the farewell Dinner at Lake Como and extolled the beauty of the drives, the luxurious accommodations, superb dining and "all the new friends they

made." He concluded with: "We are going to keep coming back until Fast Lane gets it Right." We are still working on it 😊.

Here is their Bavarian restaurant décor. Talk about dinner bells. 😊

II. Join us in **OUR awesome COLORADO** – MY ABSOLUTE FAVORITE – mm USA Trip.

Thursday, July 10th through Saturday, July 19th 2025

For details, please go to:

This is the 5th time we have conducted this magnificent trip in the US. It has been so much fun that one year even Gerald Pairitsch flew over from Austria to be the lead driver.

Here is how it works – please:

1. Go to our website and review the itinerary.
2. Register for the trip or call us at 813 343 3001 with any questions you may have.
3. Decide which one of your car(s) you want to drive or we'll help you rent one. On our previous Colorado trips we have had predominantly Porsches, but also

had Mercedes, Audi, Lexus, Tesla, Cadillac, and a group of Mustangs. So, bring your favorite ride.

4. Drive or ship (We use Montway shipping and will coordinate it for you) your car to our designated PORSCHE Dealer in Colorado Springs.
5. We'll arrange your flights and airport transfers.
6. You are ready to have tons of fun with us. You'll love the Edelweiss Restaurant; the tour of the Airforce Academy; the Million Dollar Highway; Pikes Peak; the Ritz Carlton, and look forward to "valuable" prizes on our fun photo rally, etc. etc.

Colorado is THE best place to be in July. Like on our European trips we take you to places you'd not find on your own; meet interesting locals like our mountain man Alan Butts; enjoy luxurious accommodations; and be awed by amazing vistas. Gateway Canyon alone is worth the trip.

No one can resist the Cowboy Buffett in the meadow:

- III. **NOTE: Based on your questions**, we are working on:
- A. Revisions of the planned **Dubai PORSCHE Fest** to potentially include an exciting F-1 race.
 - B. Expanding the traditional **Tuscany** trip with more venues and exclusive police escorts. **I need you to register for Tuscany ASAP** – I don't want to lose the space. It's high in demand this year.
 - C. We are working diligently on **2026** – shoot me an e-mail if you have specific requests for destinations, events or venues. Thank you very much.
 - D. If you ordered a **EuroDelivery** then please contact us immediately to secure your flights and hotel reservations and lay out the best routings for you, based on the time of year you are picking up your car.

IV. **My Final Thoughts: I'm sitting in a DL AB330 over the Atlantic from FRA to JFK and am working on this week's Petergram for you: My apologies, but I have included the hilarious information below, a couple year ago. I couldn't resist, it's just so funny.**

The following questions were actually asked of witnesses during trials, and in certain cases, the responses given by insightful witnesses. This was recently reported in the **Massachusetts Bar Association Lawyers Journal**:

- Now, doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?
- the youngest son, the 20-year-old, how old is he?
- Were you alone or by yourself?
- Was it you or your younger brother who was killed in the war?
- Did he kill you?
- How far apart were the vehicles at the time of the collision?

- You were there up until the time you left, is that true?
- How many times have you committed suicide?
- Q: So, the date of conception (of the baby) was April 8th?
A: Yes
Q: And what were you doing at that time?
- Q: She had three children, right?
A: Yes
Q: How many were boys?
A: None
Q: Were there any girls?
- Q: You say the stairs went down to the basement?
A: Yes
Q: And these stairs, did they go up also?
- Q: Mr. Slatery, you went on a rather elaborate honeymoon, didn't you?
A: I went to Europe, sir.
Q: And you took your new wife?
- Q: How was your first marriage terminated?
A: By death.
Q: And by whose death was it terminated?
- Q: Can you describe the individual?
A: He was about medium height and had a beard.
Q: Was this a male, or a female?
- Q: Is your appearance here this morning pursuant to a deposition notice which I sent to your attorney?

A: All of my autopsies are performed on dead people.
- Q: All of your responses must be oral, OK? What school did you go to?

A: Oral.

A: The autopsy started around 8:30 pm.

Q: And Mr. Dennington was dead at the time?

- Q: You were not shot in the fracas?

A: No, I was shot midway between the fracas and the navel
