

LIFE in the FAST LANE™

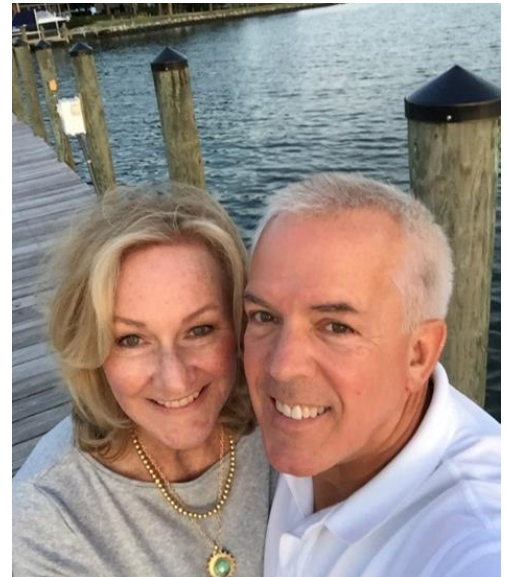

#36 & issue #288 on Saturday, September 6th 2025. I am writing from our office in bucolic Oldsmar, Florida along the Gulf of America
To: Our Fast Lane Travel Family in Australia, Canada, Dubai, all of Europe, Iceland, Israel, South Africa, Brazil, Central America, Japan, New Zealand, and the USA!

Subjects: Happy Customers; In 2026 you must do at least one of our carefully planned Adventures; My FINAL THOUGHTS: Musings.

I. Happy Members of the Fast Lane Family: Roger & Susan McLeod, Alexandria, VA

Dear Peter, we have had a remarkable journey together, celebrating 45 years of marriage. Our family has grown to include our daughter and son and five cherished grandchildren. Residing in Alexandria, Virginia, Roger manages his own business, while we both enjoy our second home along a river off the Chesapeake Bay in Weems, Virginia where we enjoy boating on the waterways of the Chesapeake Bay.

Our passion for travel was ignited when we opted for a European delivery of our **2023 Porsche Panamera GTS**, leading us to discover **Fast Lane Travel, Inc.** Our memorable Euro delivery trip left a lasting impression, and we are thrilled to be on another adventure with Peter and the Fast Lane Travel Team. Adding to our excitement we will be cruising alongside our oldest and dearest friends, Tom and Michele, making this journey even more special. Thank you, Fast Lane Travel,

Roger and Susan McLeod, Alexandria , Virginia.

II. Upcoming Adventures:

2025 The Dolomites and Swiss Alps Trip is under way, right now. Just got a message from Gerald that the lunch at the Schlossanger Alp (below) was fabulous today. More information and pictures to follow.

2025 Tuscany – Oct 12-24 - A spectacular Annual Tour, we are bound for an adventure. Fun Photo Rally!!

2026 Amazing Dubai – March 24th to Friday, April 3rd 2026. . . . best shopping ever!

2026 Le Mans – Reserve Your Spot **Today** – Limited slots and time remaining – this one will fill up fast. Guided by **Robin Donovan** who drove Le Mans 14 times and **Derek Bell** are your hosts.

III. Feedback regarding our 2026 Plans:

We have been receiving suggestions and requests for some specific trips and suggestions for destinations – this is our current planning, plus we have had requests for another Romantic Wild West and another Carolinas trip. I have also had requests for a California trip like Carmel to Sonoma up to the Redwoods.

Remember, we can plan, create, design and implement THE most creative, enjoyable and amazing driving adventures. After 50 years in business, we are by far **THE most experienced** PORSCHE (and other luxury brands) driving company. Key elements of our driving tours are:

1. You don't have to think.
2. Your personal preferences are integral.
3. On our trips, over a week, we include a luggage van so that your large luggage is waiting for you in your room at our next hotel.
4. For our European tours we conduct a PowerPoint compelling

driving safety briefing.

5. We publish a "Driving is Different in Europe" booklet.
6. Bathroom stops are carefully planned.
7. In Europe, we have multi-lingual drive-guides, leading small groups of about 6 to 8 Porsches, connected with walkie talkies.
8. But you have the choice of going off on your own – see you at the bar tonight.
9. We take you to amazing places where our customers have commented: "We would never have found this on our own!"
10. We organize interactions with local dignitaries, company executives and retired company managers.

IV. My Final Thoughts: Musings

Why did the art thief's van run out of gas as he drove away from the museum?

Because he had no Monet to buy Degas to make the Van Gogh.

**We need to quit
looking for
intelligent life
on Mars and
look to see if
there is any
intelligent life
in Washington
D.C.**

More of my very fond memories!

Please stay healthy and happy.

I'm looking forward to the great times we will have together again on one of the fabulous PORSCHE tours we have organized for 2026

All the very best to you, **Peter**
