### Petergram Weekly Update – September 24, 2025

Hello friends,

Allow me to introduce myself. My name is Christina, and I work behind the scenes here at Fast Lane Travel, Inc in Accounting and Operations. I work closely with Wendy, Cindy and Ayden here in the office as well as our European team, Thomas H., Fabian, Johny, Miro, Leonard, Gerald. While the list is much more extensive than the primary hosts and guides on our pre-planned tours, Peter has spent years refining and partnering with expertise you can trust. Many have backgrounds ranging from technical development and motorsport logistics to customer service and brand management, they understand the Porsche standard inside and out—and they bring that same level of care to assist in our tours, both planned and custom along with euro deliveries.

As this newsletter is being typed, Peter is soaring through the skies—literally! He's en route to kick off his very own *Celebration of Friendship* trip with his closest pal since 2016, Dave Hatch. Many of you may remember Dave from past Fast Lane adventures, and we're thrilled to see these two legends take some well-deserved time to celebrate the bond that's fueled so many unforgettable moments.

Meanwhile, back on the ground, Thomas and Fabian are currently wrapping up a spectacular custom tour with our Porsche group from Santa Barbara. This vibrant crew has been cruising through breathtaking landscapes and sharing plenty of memories along the way. The tour officially concludes on the 26th, and they're soaking up every moment with this wonderful bunch.

## Behind the Scenes: Travel Days Are No Small Feat

While our clients are off making memories, travel days are some of the busiest for our team in the office. A single flight delay or cancellation can trigger a domino effect—impacting transfers, hotel check-ins, and luggage logistics. Our team works swiftly and diligently to reroute, rebook, and ensure every traveler lands smoothly into vacation mode.

A gentle reminder: please always pack essential medications and a change of clothing in your carry-on. Lost luggage is inconvenient, but missing critical items can lead to problematic situations. A little preparation goes a long way in keeping your trip stress-free and safe.

## Friendship, Future Plans & Fantastic Adventures Ahead

We're so excited for Peter and Dave to enjoy this special time together, and we hope every one of our clients feels just as celebrated and cared for on their journeys. That's the heart of what we do. Looking ahead, we're deep in planning mode for 2026—including a dreamy Greek cruise that's already generating buzz! Our website is being updated daily with fresh itineraries and new experiences. Here's a sneak peek at what's coming:

- ***Snowbird Rally Mar 2026 –***

Wishing you smooth travels and joyful connections,

On behalf of Peter, Christina & The Fast Lane Team

**My FINAL THOUGHTS:**

The most valuable thing we can share is time—because once it's spent, it becomes a memory we all carry  
You'll never forget the laughter, the wonder and the way everything was so beautiful.  
No one ever said, "I should have worked another day"  
Life isn't about the mundane, it's about the experience.  
Memories are based on how you felt in that moment. Experience wonder and laughter as often as possible, that's what will last the longest.

Please stay healthy and happy. I'm looking forward to the great times we will have together again on one of the fabulous PORSCHE tours we are planning for 2026.  
All the very best to you, Peter
