### **III. Holiday Greetings!**

Thank you very much to our loyal customers and all their friends they have introduced to our trips over the last 50 years. Thank you also to our dedicated service team in the US and in Europe, who fulfill the promises we make in our itineraries. Our team is the key reason why our customers repeat travel rate is over 50%! In fact, I had a call from one of our physician customers who asked me: quote where am I going next year?" I have had participants come back for the same trip like Tuscany, because they enjoyed it so much and wanted to do more in the area that they now have become familiar with. It is with gratitude and appreciation that I wish the entire Fast Lane travel family happy holidays, the warmth of your family around you, and the best of prosperity and health in 2026, so that we may continue on our fun journeys together for many more years to come.

### **IV. In Memoriam: Eddy Yates 1945 - 2025**

Not only have our customers become good friends, but they have become part of our Fast Lane Travel Family. Yes, we enjoyed trips together, but we also visited each other in our respective hometowns, stayed in the guest rooms of our homes, and attended happy family celebrations and sometimes sad memorials.

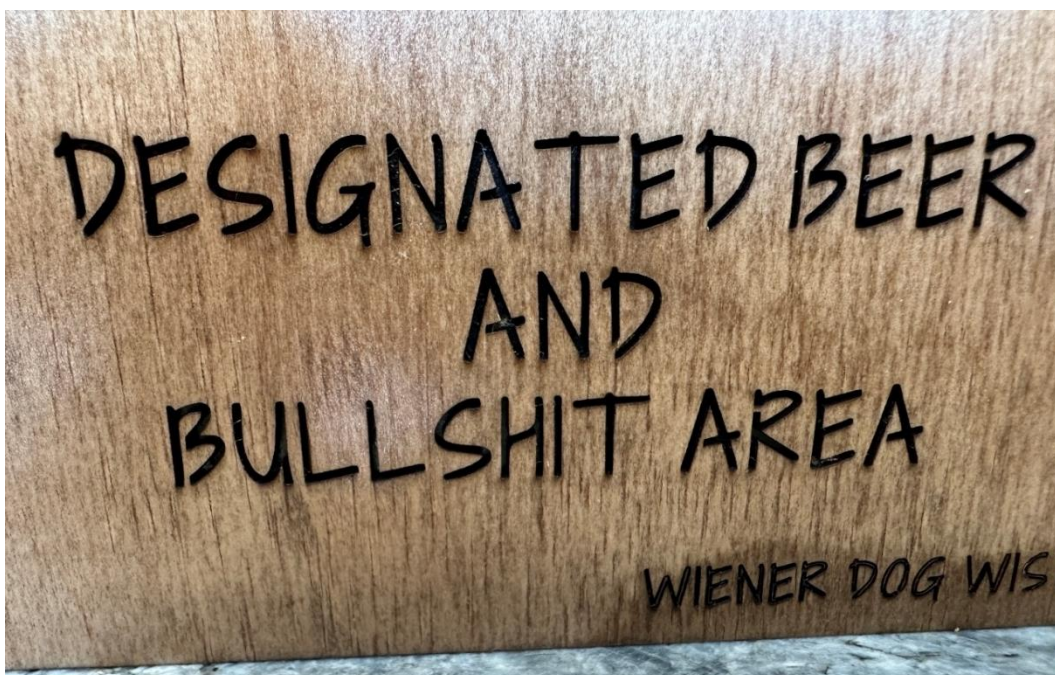

When Linda Sue and Eddie Yates were on the 20<sup>th</sup> Fast Lane Porsche trip, I had prepared a special award for them with Porsches on it. I presented it to them at the Grand Hotel Tremezzo on Lake Como. They graciously accepted the award and then Eddie gave a classic speech in his charming Virginian drawl. He extolled the beautiful scenery, luxurious hotels, fast Porches, exquisite cuisine, and all the new friends they made! He concluded, to a round of applause: "We will be coming back until Fast Lane gets it right!" Goodbye Eddie, we love you, and I hope that you will be enjoying that no-speed-limit Autobahn in the sky. With gratitude, affection, and prayers for your eternal well-being – we miss you! Peter and the Fast Lane Travel Team.

**Fond Memories:** Sunset at my brother Dave's estate in Sturgeon Bay, Wisconsin. And, yes, I believe that you can see heaven from here. No, it is heaven because it is so beautiful.

Let's be honest, sometimes we just want to hang out and shoot the breeze.

This is my favorite view in Germany! What's 269 kms/hr in miles? Oh, about 170 mph on a sunny Tuesday on the clear A-7 heading south to Austria.

Nice view, and yodeling is not only permitted, but definitely encouraged.

And this is what reserved parking at lunch looks like.

Please stay healthy and happy. I am looking forward to the great times we will have together again with my Team on one of the fabulous PORSCHE tours we are planning for 2026. All the best to you, **Peter**
