Travel Tip of the Week

Pack Smart: The “Rule of Three”

When planning your wardrobe for a tour, stick to **three versatile colors** that mix and match easily. This keeps your luggage light while giving you plenty of outfit options. Bonus tip: Always pack one extra layer—you never know when the mountains will surprise you!

Final Thoughts

Travel isn’t just about the destination—it’s about the memories you create along the way. Don’t wait too long! At various Porsche meetings I hear “someday!” or “when I win the lottery” or, “we’ve been thinking about it . . .” Here is my advice: “someday” is not a plan and it won’t come! Secondly, trust me, you won’t win the lottery. Lastly, nature has a way of letting you know to get on with life’s beautiful enjoyments, while you still have the stamina, energy and curiosity to relish new experiences. Thousands of your peers have taken my advice and have cheerfully relished comprehensive experiences they cannot get elsewhere.

At Fast Lane you **journey out of the ordinary, visit places you’d never find on your own, meet compelling locals that will make your trip meaningful** and **create memories that will last a lifetime.**

It reminds me of a call I received recently from a participant on his first Porsche trip with us about seven years ago: “Peter, do you remember that fabulous chalet we drove to high up in the Alps on the way to Lake Constance? Do you remember what we had for lunch?” He then went on to how wonderful the lunch was. Frankly, I don’t remember what I had for lunch yesterday. Our driving tours leave life-long impressions. When was the last time you had a police escort through a quaint village followed by Coffee and Apple Strudel with the Mayor?

We're honored to create for you and guide you on your fabulous journey. We can't wait to see you with us on the road in 2026!

Very Fond Memories – to be repeated in 2026!

Please stay healthy and happy. I'm looking forward to the great times we will have together again with my Team on one of the fabulous PORSCHE tours we are planning for 2026. All the best to you, **Peter**
