A Travel Joke

**TO:** Our Fast Lane Travel Family in Australia, Brazil, Canada, China, Dubai, Ecuador, all of Europe, Iceland, Iceland, Japan, Kuwait, New Zealand, South Africa, and the USA!

## Hello Again Fast Lane Travel Family

I'm waving at you from our sunny Oldsmar, Florida office, where the palm trees are showing off, the coffee is practically doing a happy dance, and our whole team is buzzing with excitement thanks to *your* shared love of travel and adventure.

## First, an Update on Peter

Your continued well-wishes would mean the world to Peter. Truly.

He is *still* on the healing journey, and as we've learned, this recovery is not a quick process. Now that physical therapy has begun, it's become, in Peter's words, "a whole new ballgame... one where the coach is always right, and the player (me) isn't allowed to argue."

He remains in great spirits, keeps us laughing, and is counting down the days until he can type at full speed again. Until then, we're keeping him on light-duty... which he only *sometimes* listens to.

## A Note on Global Events

We understand that many are watching the recent political unrest.

Please know we are in constant communication with our partners worldwide and carefully monitoring every relevant development. Your comfort, safety, and confidence remain our top priorities.

## Trip of the Week: The Dolomites & Alps Tour

**(Trip Link: [2026 Dolomites](#))**

The Dolomites are one of Europe's most breathtaking treasures — crisp air, jagged peaks, winding mountain curves, and cozy Alpine hospitality all wrapped into one unforgettable experience. This tour welcomes everyone: women, men, couples, solo travelers, and friends looking for an adventure with the perfect blend of thrill and comfort.

Your Dolomites Tour is truly one of the most inviting, scenic, and joy-filled journeys you can experience in the Alps. Each day welcomes you with wide-open mountain vistas, picture-perfect valleys, and the kind of winding, high-alpine roads drivers dream about. You'll travel through Italy, Austria, Switzerland, and Bavaria, enjoying luxury 5-star hotels, world-class cuisine, fine wines, and relaxed evenings — all while exploring the dramatic beauty of the Dolomites and the surrounding Alpine ranges. This tour is designed to let you slow down, soak everything in, and enjoy the perfect blend of driving excitement and peaceful Alpine charm.

## American Tours Update

Interest in our USA tours continues to rise — from the crisp beauty of the Southern Fall Colors Tour to the sweeping romance of our Romantic Wild West adventures.

If you're dreaming of great American roads, stunning landscapes, and our signature Fast Lane hospitality, this is the time to reserve your spot.

## Future Plans: 2027 & Beyond

We're excited to share that we are now exploring some water fun in 2027:

- **A river cruise up the Mississippi**
- **An Alaska cruise experience**

Both would bring new dimensions to Fast Lane Travel — slower, scenic journeys designed for guests who love exploration just as much as exhilarating drives.

More details will come as plans develop!

## A Travel Joke You've (Probably) Never Heard

**Why did the suitcase refuse to travel?**

*It couldn't handle the emotional baggage!*

— *Attributed to explorer Emilia Hartmann, 1912 (allegedly said after a very long steamship voyage).*

Okay, okay (seal clap and sound) – I get it

**Warmly, and on behalf of Peter,**

**Christina & The amazing Fast Lane Travel Family**

Please stay healthy and happy. I'm looking forward to the great times we will have together again with my Team on one of the fabulous tours we are planning for 2026. All the best to you, **Peter**
