Another Successful PORSCHE Euro Delivery

THE second most pleasurable experience in your life, is ordering your PORSCHE from your local dealer and **taking delivery in Europe**. This is so fabulous because you are able to drive your new baby the way it was designed and meant to be driven.

At Fast Lane Travel, Inc. **we specialize in Euro-Deliveries**, of course in Stuttgart-Zuffenhausen, but also in Leipzig plus various other European capitals. PORSCHE Executives treat you like royalty and show

their appreciation. I, personally, have taken Euro Delivery 28 times over 50+ years. The last one, my 2013 Panamera GTS in Leipzig (see picture next page & note the lead car. My good friend, Wolfgang Porsche, suggested the colors in his father's favorite color combination: Jagdgrün mit zart hellbraunem Leder. They didn't make Jagdgrün anymore, so it became Jet green with Cognac leather. In fact, he also hand-signed the Service Book in the glove compartment.

I then kept the car in Europe for 3 months (the max on customs plates) and guided several of our tours. When I picked up my new Panamera GTS in Leipzig and after introduction, briefing and lunch, I drove up to the Autobahn on a long sweeping curve. By the time I reached the top I was doing 181 mph. Our customers on the trip wondered: "didn't you have to break it in?" My response was "I did!" When you pick up your PORSCHE in Germany it is fully

"broken in."

Below I was guiding a fall 2012 group across one of Austria's most amazing private toll Postalm road from Hallein to Lake Wolfgang to Castle Fuschl.

April 21st 2026 was an exciting day for Doug, as he took delivery of his Porsche 911 GTS 4 Convertible—an unforgettable start to an epic European adventure.

After the handover, Doug and his best friend Tony hit the road to begin making memories in the new Porsche, putting miles on the odometer the best way possible: scenic routes, great conversation, and the unmistakable soundtrack of a Porsche flat-six.

Next stop: the Nürburgring. From the first glimpse of the legendary track to the buzz in the surrounding villages, it was a bucket-list moment—equal parts motorsport history and pure excitement.

To make the trip even better, Doug’s wife, Kelly, arrived in Frankfurt where our European staff picked her up and united her with Doug, to join him for the next chapter: a custom tour designed just for the two of them, unhurried days, memorable stops, and the freedom to explore Europe together with the top down. We laid out fabulous venues, beautiful vistas in the Alps, spectacular no-speed-limit stretches of the German Autobahn and memorable accommodations. There is no better European trip than in your own Porsche with Fast Lane Travel having your back. For 50 years we have made 100’s of European delivery customers happy.
